

We are closer than ever before

NDPL is committed to serve all its consumers in the best possible manner during this period of extreme hot weather conditions which has lead to the current unprecedented increase in power demand.

In the event of any interruptions in Electricity supply, NDPL Consumers can contact us on **66404040** - NDPL's dedicated NO Power Supply complaint number.

Additionally, NDPL consumers can also contact the local NDPL complaint number listed below for any complaint related to power supply. Please call the local complaint number by selecting your area from the list below.

SAVE ELECTRICITY...CONSERVE ENERGY.

Always remember – One Unit of Electricity Saved is equivalent to Two Units of Electricity Generated.
